To

The Deputy Commissioner
Tumkur District.

Sir.

Adverting to your letter No 879 dated 11th May/96 resubmitting the Articles of Association of the Agricultural Bank proposed to be established at Maviniki in the Tumkur Sub Taluk, I am directed to observe that the simple transmission of such an important proposal without any report as to the merits of the case or any recommendation as to the amount to be advanced to the Members, does not enable as it now stands,

the Government to pass
final orders, especially
when there are two conflicting
reports as in the present
case. instance.

2. It was posted in
Your letter ~~=~~ 152 of the 12th
August 1895 that the aggregate
value of the property held
by the 15 Members of the Bank
was Rs 3,350/ while the statement
now submitted, containing almost the same names with an addition of 1 member
shews that
the value of such property
is Rs 14250/. ~~It is strange~~ Evidently
that Proper scrutiny was exercised
~~in your office as to the result~~
~~of correctness of these statements~~
~~and no mention made about it in~~
Your letter under reference
is very much ~~does not explain~~ a matter for enquiry.

with a view to find out which of these figures is correct.

3. The disparity between
the amount of advance originally recommended
by you viz Rs 4000/.
and that with
which the Bank is now proposed
to be started (Rs 8,000) also requires
explanation.

4. I am to point out further that the signatures of the members Nos 11, 12, 13 & 14 affixed to the memorandum differ considerably from those affixed to the articles of association, though in both cases, the members are certified to have signed before the 3rd Clubs Magistrate of Thwieliere.

5. The enclosures are returned for reference and ~~re-submission~~ resubmission with a clear report on the points above noted.

I have &c
